Dear Parent/Guardian,

Re: Further Updates to Schools' Leave of Absence and Approved Absence Policies

Students from primary, secondary, JC/CI, and staff will be placed on Leave of Absence (LOA) under specific circumstances, including if students/staff stay in the same household as individuals on Quarantine Order (QO) whether it is served at a Government Quarantine Facility (GQF) or at home.

- 2. From 19 August, with the gradual easing of community safe management measures, students/staff will have their LOA rescinded and may return to school when one of the conditions below are met:
 - a. When the Person Under Quarantine (PUQ), scheduled to serve QO at GQF, tests negative for COVID-19 at the entry swab test and is well (regardless of whether PUQ is still at home or in GQF); **or**
 - b. When the PUQ is serving QO at home and MOH quarantine/testing requirements allow household members to leave the house and carry on with their daily routine. PUQ must also test negative for COVID-19 at the entry swab test and be well.
- 3. From 19 August, students/staff who have been issued with a Health Risk Warning (HRW) notification or have household members who have been issued an HRW, will have their Approved Absence (AA) rescinded and may return to school after the student/staff or household member(s) tests negative for COVID-19 and is well.
- 4. Details of the updates to the LOA and AA policies are shown in Annex A.
- 5. With your continued strong partnership, MOE is confident that our schools will remain safe places for our children to learn and develop holistically.
